Both Parts

Single Window

**1<sup>st</sup>  
Attempt**

Triple i Faculty motivated me to take both groups in a single window. Their continuous support, clear explanations, and motivating teaching style increased my confidence and helped me trust my abilities. With their encouragement, I stayed focused and disciplined throughout my preparation, and now I have successfully passed both groups in a single window attempt.

**1<sup>st</sup>

I can't thank the Triple i faculty enough for their dedication. They have a way of making even the most daunting topics feel approachable. Whenever I felt overwhelmed by the thought of appearing for both groups, the mentors at Triple i were there to reset my focus and boost my morale. Their disciplined approach became my blueprint for success. Passing both groups in a single attempt is a milestone I share with my teachers here.
